

Stay connected to your home and protect it against major water damage.

Lyrice™ Wi-Fi Water Leak and Freeze Detector

Water damage can happen to anyone — The Lyrice Wi-Fi Water Leak and Freeze Detector will alert you of water leaks before they become costly problems.

Detection & Protection

The average water leak causes \$7000 in damage*. Alerts from the Lyrice app can help reduce the risk. The unit can also detect temperatures that could freeze pipes and humidity that could damage valuables. *American Insurance Association

Easy Setup

There's no extra hub or base station required. Simply install and complete the setup using the free Lyrice app.*

Free App and Monitoring

Download the free app to your smartphone or tablet and open up a world of monitoring capabilities with no extra cost.

Mobile and Audible alerts

Notifications and/or text messages can alert you, wherever you are, while audible alerts sound when you are at home.

Expandable

Includes a 4-ft. water sensing cable. Additional cables can be added for expanded coverage, up to 500 ft.

Have Krooswyk Plumbing & Heating connect you to your home with the Lyrice Wi-Fi Water Leak and Freeze Detector and start protecting it against water damage.

*Minimum System Requirements for Use with Wi-Fi:

- IEEE 802.11 b/g/n/ac capable routers, 2.4 GHz
- Lyrice app for Android (4.3+) or iOS (8+)
